Each AGENT Page Contains:

- ✓ Complete Local Listings. Every REALTOR®-listed property.
- ✓ Your Personal Twitter Account integrated into the page allowing for instant communication with all your Active Clients.
- ✓ Your Image on the site which also links to your website.
- ✓ Instant School and Subdivision Information with Stunning Hi-Resolution Pictures.
- ✓ A Database of all your Personally Recommended, local Real Estate Services, for your Client's convenience.
- ✓ A Referral Network linking you to your fellow REALTORS® in other cities.
- ✓ Continual Re-design and Addition to the AGENT Page Software.
- ✓ Our Patent-Pending Interactive 1-Click Search Maps.
- ✓ The Most Dynamic User Experience provided by any Real Estate Search Site.

EMAREN TECHNOLOGIES INC. has created and will be releasing these Interactive Maps in all major markets across Canada. Grande Prairie has been selected as one of those markets. Give your clients the most User-Friendly Search Experience possible. Interact with them comfortably through Twitter. Signing them up is easy.

Join us in the Grande Cedar Ballroom at the Grande Prairie Inn @ 7:00pm on Tuesday, September 27 for an hour of Fine Wine and Brand New Software designed specifically for Serious REALTORS®.
